Faculty of Manga of Kyoto Seika University is the only faculty in Japan where students can technically learn all about manga and anime. Its faculty members include professional people in relevant fields such as manga artists, illustrators, anime directors, manga editors, etc. Students can learn the up-to-date knowledge and skill to create manga contents from those professionals. The faculty is highly evaluated from overseas and a lot of international students are studying.

▼About Kyoto Seika University

“CLIP STUDIO PAINT EX” is the No. 1 brand of manga software for creators. Not only the existing features, but its promising capability is highly appreciated by the faculty. Its compatibility with full color is also another point for the software to cultivate the next Japanese manga culture.

Faculty of Manga of Kyoto Seika University has required its students to own laptop computers since 2013. Consequently all students are ready for digital work creation using “CLIP STUDIO PAINT EX”.

CELSYS will support business and educational institutions as well as creators by expanding the usage of “CLIP STUDIO PAINT”.
