CELSYS, Inc.

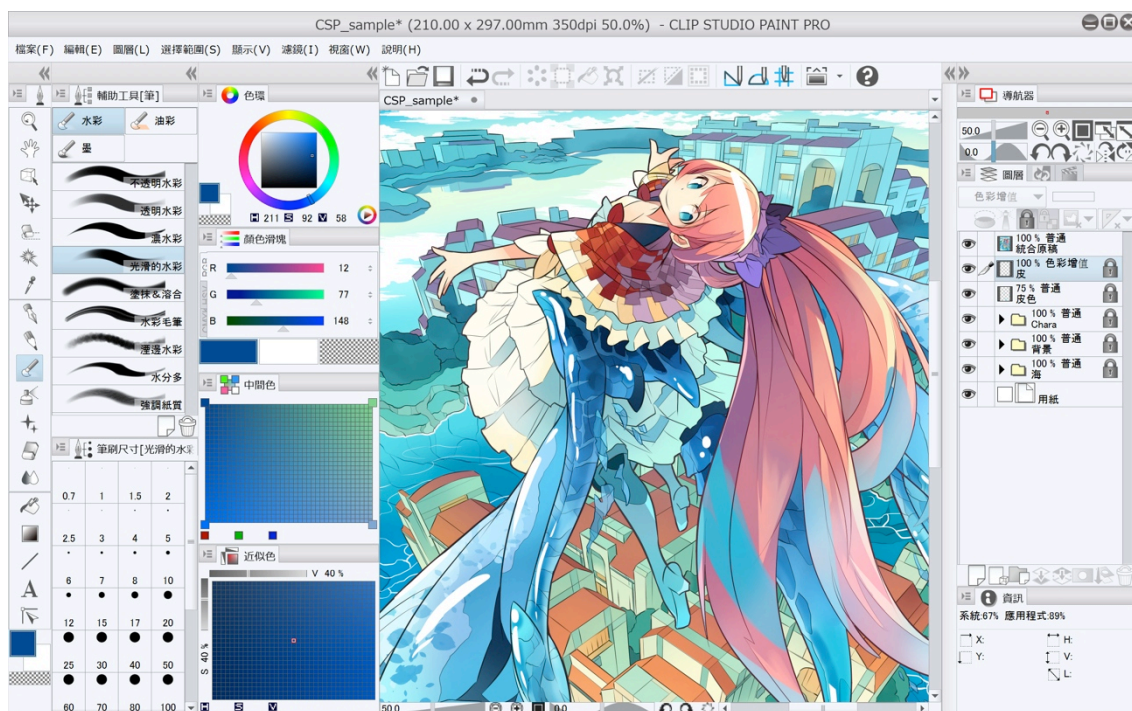

CELSYS will introduce courses with “CLIP STUDIO PAINT” for creating illustration and manga for cram schools, colleges and universities, aiming to develop the Taiwan’s educational market with the partner in Taiwan.

CELSYS will introduce courses with “CLIP STUDIO PAINT” for creating illustration and manga for cram schools, colleges and universities in Taiwan with GrandTech C.G. System Inc. (GrandTech). The courses with “CLIP STUDIO PAINT” will be provided at each school serially this fall.

In Taiwan, there are about 200 schools*¹ including cram schools, colleges and universities having art and design courses and about 80,000*¹ students are studying there. CELSYS finds the opportunity in that solid education market in Taiwan, where the Japanese contents are especially popular compared to the other countries and the Japanese software “CLIP STUDIO PAINT” exclusive for creating illustration and manga will be suited for those students of art and design, and will develop the market aggressively in cooperation with GrandTech.

CELSYS has been distributing the software for illustration and manga “CLIP STUDIO PAINT PRO” and its high-end version “CLIP STUDIO PAINT EX” in English and Chinese (traditional) since September 2013. The packaged version of “CLIP STUDIO PAINT” has been sold as “Manga Studio 5” in North America and Europe since the end of 2012 attracting a lot of graphic creators. Furthermore, its French and Spanish versions were released on July 2014. CELSYS will keep supporting creators’ activities around the world through “CLIP STUDIO PAINT.”
