OTAKU
SUMMIT
2015.3.28-29
in MAKUHARI MESSE

COMIKET SPECIAL is a festival held by Comic Market preparatory committee every 5 years. Each time its theme is changed to challenge something new, which may be difficult in the regular Comic Market in summer and winter.

“OTAKU” culture including manga, animation, game, costume play, etc. has been spreading around the world. Now Japanese animation and manga are appreciated globally and many “OTAKU” fan events are held. The 6th COMIKET SPECIAL, naming itself “OTAKU SUMMIT”, will be held as a festival for connecting “OTAKU” from all around the countries with the support from fans of manga and animation and fan events.

“CLIP STUDIO PAINT EX” is the manga software compatible with Windows/Mac OS X. In addition to Japanese, English, Chinese (traditional), French and Spanish versions have been released for creators around the world. Aside from the features for manga, the software has functions to support making fanzines and printing them such as support for printing data and preview to check binding image.
