December 26, 2014

To whom it may concern

ArtSpark Holdings, Inc.
CELSYS, Inc.
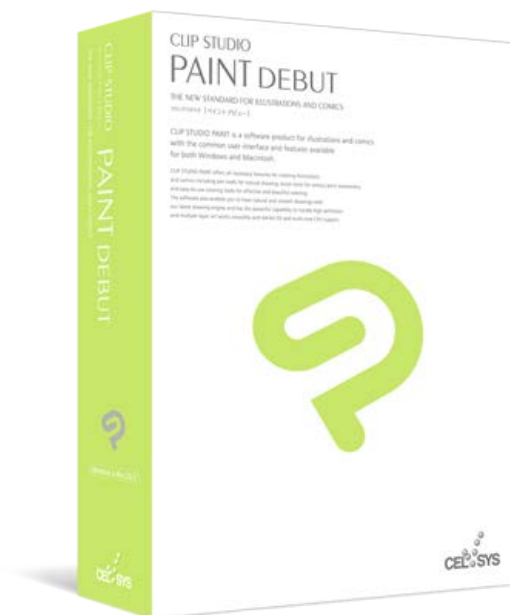

CELSYS collaborating with the popular character "MIRAI SUENAGA" in "Comic Fiesta 2014" in Malaysia

CELSYS of ArtSpark Holdings group will be sponsoring "Comic Fiesta 2014" in Malaysia. "Comic Fiesta" is Malaysia's largest and long-running animation, comics and games convention and will be held in Kuala Lumpur from December 27 (Sat) to 28 (Sun).

Comic Fiesta 2014 Official Site   http://comicfiesta.org/2014/

With the collaboration of Culture Japan (CEO: Danny Choo) (http://mirai.fm/) and the Comic Fiesta office, CELSYS has created "Comic Fiesta 2014" exclusive sticker with a great illustration featuring "MIRAI SUENAGA", the Culture Japan's character well-liked around the world, and a mascot character of Comic Fiesta.   In this event, the stickers will be presented to visitors for free.   Furthermore, the CELSYS's illustration software "CLIP STUDIO PAINT DEBUT" will be given out to those who access to the URL in the sticker for 2 days only during the event.

"CLIP STUDIO PAINT" is released in Japanese, English, Chinese (traditional), French, and Spanish for the creators around the world.   CELSYS will support the creators in the world.

About CLIP STUDIO PAINT

"CLIP STUDIO PAINT" is the software for illustration and manga compatible with Windows/Mac OS X used by more than 800,000[*1] creators around the world.   Supporting 64bit OS and multi-core CPU, it is implemented with natural drawing touch as if with pen and paper and powerful processing ability and used by many professional creators.

"CLIP STUDIO PAINT DEBUT" is the high-end standard software for various type of illustration.   With its best and natural drawing touch and powerful performance, many types of users from beginners of digital paintings to professionals are using this software.   As it has the functions, which are more valuable than other illustration software worth 5,000JPY in the market, and convenient functions for illustration, which are not included in expensive professional photo editing software, its functionality is much higher than any other free software. There are higher models (PRO/EX) with more advanced features so that users can utilize the knowledge of how to use the software in the future.   Comfortable drawing touch, various features, promised potentiality.   It is highly recommended for everyone who enjoys illustration.   *1 Trial version included.
