The insurance premiums are fully borne by the Company, and the insured will not face any actual insurance premiums. If the reelections of the candidates for Director are approved, they will continue to be insured under the insurance agreement. The Company plans to renew the insurance agreement with the same content upon its next renewal. If the new Directors are elected, they will be included within the scope of the insured under the agreement.
11. The Company's trade name as of the dates stated within the table is ArtSpark Holdings Inc. On September 1, 2022, an absorption-type merger took place, with the Company, ArtSpark Holdings Inc., as the surviving company and the wholly-owned subsidiary, CELSYS, Inc., as the disappearing company, and the trade name was changed from ArtSpark Holdings Inc. to CELSYS, Inc.

Proposal 4: Matters Concerning Compensation for Granting Restricted Stock to Directors (Excluding Directors Serving as Audit and Supervisory Committee Members and Outside Directors)

In the 11th Annual General Meeting of Shareholders held on March 30, 2023, approval was received for an amount of basic compensation, etc. for the Directors (excluding Directors serving as Audit and Supervisory Committee Members) of the Company of 500 million yen or less per year (including 50 million yen or less for the Outside Directors).

Recently, as part of the revision of Director and Executive officer compensation plan, with the objectives of offering incentives to the Company's Directors (excluding Directors serving as Audit and Supervisory Committee Members and Outside Directors; hereinafter the "Eligible Directors") to achieve sustained enhancement of the corporate value of the Company and sharing more of that value with our shareholders, the Company proposes that, with a separate limit from the said existing limit of compensation for the Directors of the Company, the Company will create a compensation plan that will newly grant restricted stock to the Eligible Directors.

Based on this Proposal, the compensation paid in order to grant restricted stock to the Eligible Directors shall be a monetary claim, and its total amount shall be 140 million yen or less per year (However, this does not include salaries for employees for Directors concurrently serving as employees.). Furthermore, the specific payment timing and allocation for each of the Eligible Directors shall be decided in a Board of Directors meeting.

Currently there are five Directors (excluding Directors serving as Audit and Supervisory Committee Members and Outside Directors), but if Proposal 3, "Election of Eight Directors (Excluding Directors Serving as Audit and Supervisory Committee Members)" is approved and passed as proposed, there will be six Directors (excluding Directors serving as Audit and Supervisory Committee Members and Outside Directors).

Furthermore, based on resolution of the Board of Directors of the Company, the Eligible Directors shall make in-kind contribution of all monetary claims paid under this Proposal and shall, in return, receive the issuance or disposal of the common shares of the Company, and the total number of common shares of the Company to be issued or disposed of through this process shall be 140,000 shares or less per year. (However, in case that the Company conducts stock splits (including free allocations of its common shares), reverse stock splits, or any other event that requires adjustment to the total number of common shares of the Company to be issued or disposed of as restricted stock after the date of the approval of this Proposal, the total number of shares shall be adjusted in a reasonable fashion.)

Note that the amount paid in per share shall be determined by the Board of Directors within the scope that is not an amount that is particularly advantageous to the Eligible Directors who underwrite said common shares, based on the closing price of the common shares of the Company in the Tokyo Stock Exchange on the business day immediately prior to the date of each resolution of the Board of Directors (in the case that the transaction has not been established on that day, the closing price on the most recent trading day preceding that day). Furthermore, when issuing or disposing of the common shares of the Company, or payment of in-kind contribution of monetary claims paid through this process, a contract for allocation of restricted stock (hereinafter the "Allocation Contract") containing the following contents shall be concluded between the Company and the Eligible Directors as a requirement. In addition, the upper limit of the amount of compensation under this Proposal shall be the total number of common shares of the Company that is issued or disposed of, and other requirements for granting restricted stock to Eligible Directors under this Proposal, shall, for the purposes above, be decided taking into account the Company's business conditions, the Company's policies concerning decisions regarding the details of individual compensation, etc. of the Company's Directors (If this Proposal is approved and passed, we plan to revise this policy to be consistent with the approved details.), and so is believed to be appropriate.

This Proposal has been decided by the Board of Directors after consulting with the Company's Nomination and Compensation Committee. Furthermore, although this Proposal was considered by the Audit and Supervisory Committee, we have received the opinion that there were no particular matters to point out.

[Outline of details of the Allocation Contract]

(1) Transfer restriction period

The Eligible Directors must not transfer the common shares of the Company for which allocation is received under the Allocation Contract (hereinafter the "Allocated Shares"), neither create a security interest on the Allocated Shares, nor dispose of the Allocated Shares in any other way (hereinafter the "Transfer Restrictions") during the period stipulated in advance by the Board of Directors of the Company that is between three and fifty years after the date of allotment under the Allocation Contract (hereinafter the "Transfer Restriction Period").

(2) Treatment in the event that a Director leaves his/her post or retires

In the event that Eligible Directors leave their posts or retire from a position of Officer or employee of the Company or a subsidiary of the Company determined in advance by the Board of Directors of the Company before the end of the Transfer Restriction Period, the Company shall acquire the Allocated Shares at no cost except in the case of expiration of term of office, death, or any other legitimate reason for the Eligible Directors to leave their posts or retire.

(3) Cancellation of Transfer Restrictions

Notwithstanding the provision in (1) above, the Company shall cancel the Transfer Restrictions for all of the Allocated Shares as of the time when the Transfer Restriction Period expires, on the condition that the Eligible Directors have continuously maintained a position of Officer or employee of the Company or a subsidiary of the Company determined in advance by the Board of Directors of the Company during the Transfer Restriction Period. However, in the case that said Eligible Directors leave the posts or retire from a position stipulated in (2) above before the Transfer Restriction Period expires due to expiration of term of office, death, or any other legitimate reason stipulated in (2) above, the number of the Allocated Shares for which the Transfer Restrictions are cancelled and the timing of the cancellation of the Transfer Restrictions shall be reasonably adjusted as necessary. Furthermore, the Company shall acquire at no cost the Allocated Shares for which the Transfer Restrictions have not been cancelled, at the time immediately after the cancellation of Transfer Restrictions in accordance with the provisions above.

(4) Treatment in the event of organizational restructuring, etc.

Notwithstanding the provision in (1) above, in the case that matters regarding merger contracts under which the Company becomes the disappearing company, share exchange agreements or share transfer plans under which the Company becomes a wholly-owned subsidiary of another company, or any other organizational restructuring, etc. are approved at the General Meeting of Shareholders of the Company (or at a Board of Directors meeting of the Company in the case that approval by the General Meeting of Shareholders of the Company is not required regarding the said organizational restructuring, etc.) during the Transfer Restriction Period, the Company shall cancel, based on the resolution of the Board of Directors of the Company, the Transfer Restrictions before the effective date of the said organizational restructuring, etc. with regard to the number of Allocated Shares that is reasonably determined passed on the period from the start of the Transfer Restriction Period to the date of approval of said organizational restructuring, etc. Furthermore, the Company shall acquire at no cost the Allocated Shares for which the Transfer Restrictions have not been cancelled, at the time immediately after the cancellation of Transfer Restrictions, in accordance with the above.

(5) Other matters

Other matters concerning the Allocation Contract will be decided by the Board of Directors of the Company.
